Commenting on the performance for Q4 & FY19, Dr. Azad Moopen, Chairman, Aster DM Healthcare, said:

"We are very happy to report strong growth at both the top line and EBITDA level. All hospitals in the GCC and India are performing well and new hospitals in India are also doing better than expected.

In line with our asset light focus, work at all our new hospital pipeline projects both in GCC and India are progressing well. We are optimistic however that all these facilities will achieve swift break even on the back of increasing occupancy and better utilisations..

The quarter under review has been our best quarter in the year under review with seasonality too playing to our favour."

Segmental Performance

Hospitals

Revenues increased by 22% to Rs. 3,969 crore in FY19 from Rs. 3,241 crore in FY18. EBITDA (excluding other income) increased by 37% from Rs. 364 crore in FY18 to Rs. 501 crore in FY19. The EBITDA margin was at 12.6% in FY19 compared to 11.3% in FY18. This performance was driven by addition of new specialties, services and increase in beds.
