All India Institute of Ayurveda Signs MoU with Western Sydney University Australia

All India Institute of Ayurveda (AIIA) has signed a Memorandum of Understanding with Western Sydney University, Australia at New Delhi, India. The MoU will promote the collaboration in research and developing guidelines for integrating Ayurveda principles with modern medicine.

Professor Barney Glover, Vice Chancellor, Western Sydney University, Australia and Prof. Tanuja Nesari, Director, All India Institute of Ayurveda (AIIA) signed the Memorandum of Understanding on 22nd November during the visit of the delegation led by Dan Tehan, Minister for education, Australian Government. The signing ceremony took place at the Indian Ministry of AYUSH (Ayurveda, Yoga & Naturopathy, Unani, Siddha, Sowa Rigpa and Homoeopathy).

The memorandum was agreed and exchange on the occasion of the event “India Australia International Education and Research Workshop” at Ambedkar International Center, New Delhi. The exchange took place in presence of Shri Ramesh Pokharial, Human Resource Development Minister and Dan Tehan Minister for Education, Australian Government along with H.E Ms. Harinder Sidhu Australian High Commissioner to India.

“Both Institutions are committed to take the collaboration to the next Higher Level by identifying specific areas for collaboration in education, research and practices of Traditional medicine while ensuring the quality standards and also by encouraging investment in traditional medicine related infrastructure. Complementing the Traditional Ayurveda Medicine with conventional concepts of Modern Medicine is expected in generating scientific evidences that further help in contributing to the global healthcare. India is a priority country among Australia’s international partnerships. The signed memorandum is another milestone in the history of health care industry. Combining data-driven precision based technologies and Ayurvedic medicine will be a valuable contribution to the current goals for providing a better and safe health care system to the Universe, specifically towards developing a safe and effective integration of traditional and complementary medicine”, stated Professor Barney Glover, Vice Chancellor WSU.
