PHARMEXCIL kick starts India-APAC pharma meet

Hyderabad: Pharmaceuticals Export Promotion Council (PHARMEXCIL), the organization responsible for boosting international trade of the Indian pharma industry, organized India-Asia Pacific International Pharma Business Meet from September 26-28, 2012, at Hotel Marriot in Hyderabad. This international meet attracted over 70 delegates from 15 nations, including Thailand, Malaysia, Myanmar, Vietnam, Cambodia, Australia and New Zealand among others.

Among the various revelations that were made in event was the fact that the Indian generic drugs are famous throughout the world because of their low-cost and high quality. According to the figures provided by the Director General of Commercial Intelligence and Statistics, Indian exports of drugs, pharmaceuticals and fine chemicals accounted for around \$11.5 billion (Rs 63,347 crore) for the period from April 2011-to-March 2012, recording a growth rate of over 30 percent as compared to the previous year.

Furthermore, since 2007-08, exports in this sector have grown by a compound annual growth rate (CAGR) of 20 percent. This segment is the sixth largest exported principal commodity of the country accounting for 4.34 percent of India's total exports. The organization, aims to promote this lucrative sector further, and has in this effort sponsored the 70 delegates from 15 nations in the Asia Pacific.

These delegates will be meeting one-on-one with over 152 pharma-related companies from India. The three-day meeting will also feature a Pharma CEOs Conclave, which will have a panel discussion on "Achieving Export Turnover of \$25 bn by March 2014 - Challenges ahead". The panellists for this conclave are Mr Abhaya Kumar, Shasun Chemicals; Mr Ajit Singh, ACG Worldwide; Mr Naresh Gupta, Lupin; Mr Rajeev Nannapaneni, Natco Pharma; Mr Ranjan Chakravarthy, Ranbaxy Laboratories; Mr Srinivasa Reddy, Hetero Drugs; and Mr Venkat Jassi, Suven Lifesciences.

In an interview with *BioSpectrum*, Dr P V Appaji, director general, PHARMAEXCIL, told that "We are happy to share that we are enjoying excellent rapport with drug regulators in India and with companies and various pharma giants throughout the country and we will continue to assist them with the export of their drugs. Through this three-day meet, we hope to create more business for our pharma companies that will boost this industry further."
