

Register Now to Learn more about how STARLIMS SDMS can support your organization through powerful instrument integration.

24 March 2021 | News

More than ever, laboratories need solutions to help them efficiently capture and parse documents and data, reducing the tedious, time consuming and error-prone manual data entry.

The banner features the STARLIMS logo in the top left corner. The main text reads: "ENSURING COMPLIANCE AND EFFICIENCY THROUGH POWERFUL INSTRUMENT INTEGRATION". Below this, it specifies: "LIVE WEBINAR THURSDAY - APRIL 15TH, 2021 11:30 AM IST". A prominent "REGISTER NOW" button is located at the bottom left. On the right side, there is a circular diagram with "SDMS" in the center. The diagram consists of several colored arrows forming a circle, each with an icon and a label: "REUSE DATA" (blue arrow with a magnifying glass icon), "CAPTURE FILE" (light blue arrow with a document icon), "EXTRACT DATA" (dark blue arrow with a document icon), "USE DATA" (yellow arrow with a globe icon), "STORE FILES" (blue arrow with a folder icon), and "ANALYZE DATA" (blue arrow with a magnifying glass icon). The Abbott logo is positioned in the top right corner of the banner.

Topic:

ENSURING COMPLIANCE AND EFFICIENCY THROUGH STARLIMS SCIENTIFIC DATA MANAGEMENT SYSTEM

Synopsis:

For organizations considering a digital transformation strategy, the Scientific Data Management System (SDMS) can be a key element when it comes to moving away from paper-based documents while keeping data integrity.

In this webinar you will:

- Learn more about how STARLIMS SDMS can support your organization through powerful instrument integration.
- Discover how STARLIMS can support organizations with an existing LIMS lacking SDMS capabilities and organizations without a LIMS.
- Understand why the SDMS is the right solution for organizations that want to have a single source/repository for scientific data.
