Pall appoints Kingsley as CFO, Moschella as CAO

March 7, 2013 | News | By BioSpectrum Bureau

Singapore: Pall Corporation has appointed Mr Lawrence (Larry) D Kingsley, the present president and CEO of the company, to serve as interim chief financial officer (CFO). The appointment is pending the completion of its search process to replace exiting CFO Ms Lisa McDermott.

The company also announced that Mr Frank Moschella will resume the positions of corporate controller and chief accounting officer (CAO). Both appointments are effective March 10, 2013.

Mr Moschella, the group financial officer (GFO) for Pall's Industrial business, was the company's corporate controller and CAO before transitioning to the GFO role in October of 2012. He is a certified public accountant.
