BioSpectrum Asia Unveils "BioSpectrum Asia Symposium, 2023" to Propel Singapore's Biomedical Excellence

November 24, 2023 | News | By Ankit Kankar | ankit.kankar@mmactiv.com

BioSpectrum Asia (BSA) proudly announces the inaugural "BioSpectrum Asia Symposium, 2023," a premier event aimed at delving into the cutting-edge realms of Bioscience, Biopharma, Biotech, MedTech, and Healthcare industries. Set to take place on December 4, 2023, from 10 AM to 6 PM, the Symposium seeks to foster and bolster Singapore's expertise across diverse biomedical domains.

The symposium is a heartfelt gesture of gratitude and appreciation to Singapore's vibrant Bioscience community, following the overwhelming success of the BioSpectrum Asia Excellence Award 2022, where industry elites actively participated.
