

PHILMEDICAL EXPO 2024: Sets to Revolutionize Healthcare in the Philippines

04 March 2024 | News

The Philippines is preparing to drive innovation and excellence in healthcare

The PhilMedical Expo 2024, alongside INDEC, PhilMedtech, and PhilDental Expo.

From August 14th to 16th, 2024, at the renowned SMX Convention Center in Pasay City, this international exhibition will showcase the latest advancements in healthcare.

With a focus on revolutionizing the industry, the event will bring together professionals, leaders, and innovators worldwide.

Attendees can anticipate seminars, workshops, and product demos providing insights into healthcare's future trends. From AI healthcare to surgical techniques, the expo will facilitate knowledge exchange and networking.

Holistic experience aiming to drive innovation and excellence in healthcare.
