Thailand LAB INTERNATIONAL and Bio Asia Pacific 2024 Celebrate Overwhelming Success with Global Participation

September 12, 2024 | News | By Ankit Kankar | ankit.kankar@mmactiv.com

With over 300 exhibitors and cutting-edge innovations in laboratory, biotechnology, and life sciences, the event draws local and international visitors, including a special visit from Mr. Vacharaesorn Vivacharawongse and his team.

The organizers of Thailand LAB INTERNATIONAL and Bio Asia Pacific 2024 are delighted to announce the tremendous success of this year's exhibitions, which have welcomed a diverse array of local and international visitors. The event showcases the latest technological innovations and demonstrations from over 300 exhibitors representing industries such as scientific laboratory equipment, laboratory safety, life sciences, biotechnology, modern medicine, chemistry, and quality analysis and inspection technology for food, medicine, vaccines, cosmetics, and petrochemicals.

A highlight of the event was the visit from **Mr. Vacharaesorn Vivacharawongse**, widely known as "Than Aon," and his team. They toured the exhibitions at the **BITEC Exhibition and Convention Center**, guided by the VNU Asia Pacific management team. Mr. Chaisong Churitt, General Manager; Ms. Panadda Kongma, Vice President-Business; and Mr. Anucha Parnpichate, Senior Project Manager, along with representatives from the Thailand Center of Excellence for Life Sciences (TCELS), led the tour through the state-of-the-art displays in laboratory and life science technology.

During their visit, "Than Aon" and his team explored cutting-edge innovations such as a **specialized mobile stroke treatment vehicle** equipped with a brain CT scanner, designed to provide rapid diagnosis and treatment for acute stroke patients. They also visited notable booths, including those from the **National Health Security Office (NHSO)** and the **Federation of Thai Industries**.

As the exhibitions run from **September 11-13, 2024**, participants continue to benefit from numerous opportunities to exchange knowledge and explore solutions to industry challenges. Speaking about the event, **Shailendra Kumar**, General Manager – Southeast Asia at **Hach (Thailand) Limited**, noted, "This exhibition has improved year after year, offering us and our customers the chance to share experiences, introduce innovative products, and discuss challenges. It's an excellent platform for exploring solutions."

Mr. Virachai Polsiri, Sales Manager at **Carl Zeiss Co., Ltd.**, added, "We return to Thailand LAB INTERNATIONAL every year because of the positive reactions we've received from new customers. This event consistently provides meaningful engagement with both new and existing clients, which is why we're always eager to participate."

The organizers express their gratitude to all participants and visitors for making Thailand LAB INTERNATIONAL 2024 and Bio Asia Pacific 2024 a resounding success. The exhibitions continue to offer invaluable insights and networking opportunities for professionals across industries, ensuring the event's growth and relevance for years to come.
