ICPI WEEK 2025 WRAP-UP | BY MANBEENA CHAWLA, EXECUTIVE EDITOR, BIOSPECTRUM ASIA

Dear Reader,

This year's **ICPI Week 2025** at **KINTEX, South Korea**, marked an extraordinary milestone for Asia's pharmaceutical and biotech landscape. With **41,720 visitors** and over **$1.265 billion** in export consultations, the event has not only broken records but also reinforced Korea's leadership in next-gen manufacturing, sustainability, and international collaboration.
