Pall appoints Larry Kingsley as chairman

October 9, 2013 | Influencers | By BioSpectrum Bureau

Singapore: Pall Corporation has elected Mr Larry Kingsley as chairman of the board. Mr Kingsley has been the president and CEO of Pall and a member of the company's board of directors since October 2011.

Pall had appointed Mr Kingsley as interim chief financial officer (CFO) during the month of March 2013.

"During his two years with Pall, Mr Larry Kingsley has proven to be a strong leader in a time of change for the company," said Mr Ronald Hoffman, director, Pall. He also added, "As Pall enters the next phase of its continuing transformation, the board felt the timing was ideal for a single voice from the offices of the CEO and chairman. I am excited about the opportunity to partner with Larry in my new role as lead director."

As lead director, Mr Hoffman will perform an essential oversight function while collaborating closely with the chairman to ensure the long-term success of Pall.

"I want to thank Ron Hoffman for his tremendous leadership," said Mr Kingsley. "His contributions while in the role of chairman have been greatly appreciated and I look forward to continuing to work with him."
