Asia Pharma Expo 2015 kicks off in Bangladesh

Singapore: This year's Asia Pharma Expo 2015 kicks off in Dhaka on January 8th, 2015. The three-day event aims at bringing together world renowned companies as well as newly launched companies on one platform.

The seventh annual event, held at the Bangabandhu International Conference Center, will be hosted by the Bangladesh Association of Pharmaceutical Industries in collaboration with GPE Expo.

Commerce minister Mr Tofail Ahmed will inaugurate the international exhibition on South Asian pharmaceutical industry at 10:30am, according to a news agency.

The exhibition is expected to bolster pharma growth through inter-nation tie-ups and help in establishing business relationships among trade professionals across the world.
