Singapore and Kingdom of Saudi Arabia sign MoU to enhance health cooperation

November 27, 2024 | News

The signing of the MOU reaffirms the close working relationship between Singapore and the Kingdom of Saudi Arabia

Singapore Minister for Health Ong Ye Kung and the Kingdom of Saudi Arabia Minister of Health Fahad bin Abdurrahman Al-Jalajel signed a Memorandum of Understanding (MoU) between the Singapore Ministry of Health and the Kingdom of Saudi Arabia Ministry of Health.

Under the MoU, Singapore and the Kingdom of Saudi Arabia will enhance cooperation in the health sector. This includes cooperation in education and training, primary health care, healthcare supply chain, healthcare facilities design, prevention and control of communicable diseases, and health promotion policies.

The signing of the MoU reaffirms the close working relationship between Singapore and the Kingdom of Saudi Arabia, and demonstrates the shared commitment to enhance existing cooperation and establish new areas of collaboration.
